“FROM OUR PRESIDENT”

1999-2000 PRESIDENTIAL CITATION: “LETS GO FOR IT”

Membership participation is the key factor to Rotary’s success in the new millennium.

In his recent visit to Bulawayo D.G. Eric Marques challenged the presidents, officers and crew 2000 to apply Rotary’s 1999-2000 theme “Act with consistency, Credibility and Continuity.” D.G. Eric encouraged all clubs to participate in the

1999-2000 presidential citation. I say: **“LETS GO FOR IT!”**

The 1999-2000 presidential citation offers a challenge to individual members to achieve a full understanding of what it means to be a Rotarian. Active participation of individual members in all aspects of Rotary is the Key factor to Rotary's success in the new millennium.

To qualify for the Presidential Citation clubs must complete 8 or more activities from a menu of 14. (See menu list on Pg.) The major and compulsory activity which every Rotary club must achieve is: Ensuring that every club member is personally invited to serve on a project committee, or take responsibility for some aspect of club service. To earn the 1999-2000 Presidential Citation certificate our club must meet its goals by 1st April 2000.

Bulawayo Rotary Club's strength and success in this competition is dependant on the quality of our membership which was well acknowledged by D.G. Eric.

Please be advised that the club secretary Rtn. Julie Bonett and I will be approaching every member individually, inviting you to serve on a project committee.

***LET'S GO FOR IT. IT'S THE ONLY MILLENNIUM
PRESIDENTIAL CITATION!***

Editorial Content

This is the first bulletin of the new Rotary Year, and as such, your EIT (Editor in Training) is still very much on a learning curve. In view of this any suggestions or contributions will be gladly accepted.

Once again our Bulletin has staggered into being after an absence of some months. Our thanks goes to Nomsa who did such a splendid job, but cannot continue due to pressure of work.

Your EIT (Editor in Training) and EIC (Editor in Charge) will certainly try their best to make this bulletin a regular event. However, we do need contributions from the Committee Chairman, and all Club members. If you have anything of interest, please contact Maureen or myself and we will include it.

On the 15th September 1999, I had the privilege to view the ED Programme at work. What an experience!?! Everything running smoothly, as all the children dressed in their red "Rotary Cares" gowns moved from one doctor to another. Thank you to all the ED team!

Another surprise awaited us during the tea break. "Hillside Infant School" had decided to collect old clothes to give something back to Rotary. For the first time since I joined Rotary I felt as if we had achieved something. Thank you to all at "Hillside Infant School" for your generous offer.
